

MY WORLD

Newsletter - March Edition 2017

January Newsletter

NOTES FROM THE DIRECTOR

Dear Parents, families and caregivers,

Wow! We are already in March. Time fly's when we are all having fun. March is going to be an exciting month for My World Midvale, please read the Notes from our team about our new projects we are undertaking. Our April school holidays are coming up and would appreciate if all vacation care forms to be handed in by the 31st of March. Another reminder to please bring in updated enrolments forms to the office to ensure all your information is updated for your child.

Thank you

1

ACKNOWLEDGEMENT

We Acknowledge the Whadjuk people of the Noongar Nation as the traditional custodians of this country and its waters.

2

My World stands on Noongar Country and we pay our respects to Noongar Elders past and present, and acknowledge their wisdom and advise in our teaching and cultural knowledge activities.

Special Days to Remember:

* St Patricks Day

*Easter public holidays

*Anzac Day

NOTES FROM THE KITCHEN

As summer has come to an end we are revising our menu. If you have suggestions for recipes please fill out on the forms in the foyer next to the iPad. We really appreciate all your suggestions and contribution to ensure all the children are eating healthy and satisfying meals.

NOTES FROM THE TEAM

Hello Families

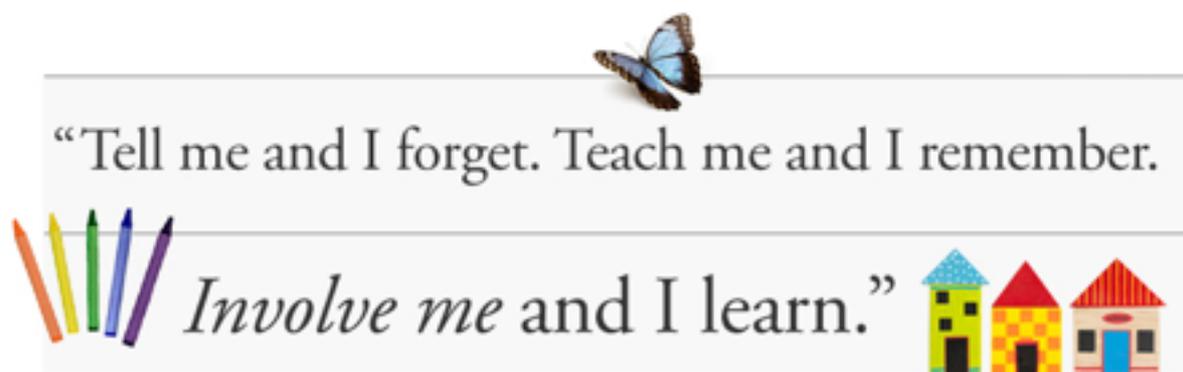

Our educators have been making some goals for the centre and the next few weeks you will be able to see some changes we are implementing throughout the centre. As you all know My World loves family input into all aspects of our centre. Next week we will have our vision board displayed in the foyer and would really appreciate it if you took the time to look at the photos and contribute some suggestions, donations or feedback regarding our vision. Over time you will see that our vision board will change from various projects, our first project is our Toddler Outdoor Environment. Many of you would know that we love to promote sustainability throughout the centre and would greatly appreciate it anyone had any recyclable items they wish to donate to the centre. Please see our vision board next week to see what items you can donate.

In the hallway there is also a COMMUNITY & EVENTS board, which has various events happening within the midland region and Perth city. These events vary from parenting information nights and events for families. Check it out!

We are also starting a family volunteer roster. We would love to welcome families to volunteer their time to join in our morning and afternoon activities. We are having volunteer session times from 9:30-10:30am or 2:00-3:00am everyday. Make sure you put your name down to book in a date that you would like to volunteer your time with us. The volunteer roster will also be displayed in the foyer next to the iPad.

Thank you, My World Child Care Team

Babies room

Over the past month we have focused on learning about animals and sensory. We extended the children interest in animal by adding native animals in our nature area and safari animals near our books for children to relate their knowledge. We have also extended the children interest by adding more nature elements throughout the room for the babies to have sensory of smell and touch. We want to wish a big Happy Birthday to Addison and Mihiro and a big welcome to Chloe. Notes from the room: Please ensure to pack some warmer clothing as the weather is getting cooler for both indoor an outdoor play.

Toddler Room

Over the past month we have focused on four themes, led and inspired by the toddlers interests. We have focused on colour identification and mixing, flowers and nature, self identity and self portraits and St Patrick's day. Over the coming month we will be looking at birds and have some Easter crafts. Notes from the room: if you have nay input into the curriculum we would love to hear it. We will also be developing a parent volunteer roster soon. With the warmer weather coming o an end, please pack a second set of clothing incase during play, clothes become were. Thank you

Kindy Room

Kia Ora, Talofa, Bula, Bonjour and greetings to all of our parents and children from out different cultures across the world. A special acknowledgement to our Aboriginal and Torres Strait Islanders whom we share our land with. As the cooler weather is here, this is a great time start planting our vegetables and herb gardens. With the help of the Kindy room, we have started our planting with a variety of vegetables and herbs and will get the children to help nurture their plants (QA3. Encouraging and involving the children in sustainable practices and tone environmentally responsible). What's next in the kindy room: We will be getting reading for Naidoc week in July which will be an awesome event. Parents if you would like to contribute nay thoughts on what you would like to do please speak to us. Thank you, Graeme and Tere

Schoolies Room

Schoolies have been interested in creating idea's and suggestions for their room. The schoolies and Miss Chelsea are working on a homework/quiet space for the schoolies in the room next door. We have asked the children what they would love to see in their new space, we can't wait till it's finished. We would also love to hear your suggestions and feedback throughout this process. The schoolies have also been working with Miss Sally and doing science experiments. Make sure to check our our science wall to see all the experiments we have been getting up too. Notes from schoolies: please ensure that all families notify My World before 1pm if your child does or does not need collecting from school to ensure we create appropriate bus runs for the afternoon. Also vacation care is coming up so please hand in all vacation care forms before the 31st March 2017.
