## Tiny-tots

*Hi everyone!*

*In the month on November we changed our room to discover and scaffold on the children's emerging interests.*

*You may have noticed there are lots of photos on display as we like to remember each others name and build relationships as young social beings. This is a great way to record special moments in play and talk about later with the children, the children recognise themselves and what they were doing in the photos.*

*From Karen, Sheila, Candice, Claire, Nat and Chanelle.*

## Kindy

*In the Kindy room in November, we were focusing on ocean themes and the letter H.*

*The children really enjoyed learning about the ocean and we had lots of fun completing ocean themed activities.*

*In the month of December the Kindy room will be focussing on Christmas, we have lots of activities and games planned if you have any requests please let the Kindy staff know and we can work together this Christmas.*

*From Emmanuelle, Molly, Shanae and Nicole.*
