April School holidays

11th April - 22nd April

We are half way through the school term already and all the children have seemed to settled back into school nicely. We have made some new friends and we would like to welcome all the new families.

The children and myself have been working very hard on planning another great school holiday program and we are happy to announce that the April school holiday program is now available but please get in fast as we have limited places.

Reminds

If any of your enrolment details have changed please ask for a form to update these.

Please make sure your child brings a hat to each session or leaves one at the centre.
