

MY WORLD ROCKINGHAM OSHC

February 2017

STAFF CHANGES:

With the departure of Natalie in January we have some changes to our 2017 team. We are looking forward to offering an even more amazing experience for your children this year with lots of exciting adventures to come.

Centre Manager: Danielle

2IC: Kylie

Educators: Chelsy, Caitlin and Nicole.

Relief Educators: Doreen, Chloe and Shanae.

VACATION CARE

Another successful vacation care completed with some pretty amazing excursions. We value your feedback and would love for some ideas for next holidays so please feel free to add any to our suggestion box.

Reward System

We discussed with the children the kind of reward system they would like at the service this year and majority requested the raffle draw. We are always looking for positive behaviours, use of manners and fantastic helpers to be rewarded with raffle tickets. We have some pretty amazing prizes up for grabs this year.

Abences:

Please be reminded that if your child is absent from school we would appreciate a phone call to ensure we are not searching for them if they've gone home unwell. A call or text message to the OSHC number 0437953217 would be very much appreciated.

Yummy Food Tasting:

Each week we are introducing the children to a new and different type of food to extend their food knowledge and palettes. We have so far tried grapefruits and radishes. What will be next? If you have a suggestion please let us know... We have seen some pretty funny faces trying these new foods.

DONATIONS:

We are always seeking donations of recyclable materials for our art activities and construction. Please use the yellow bin provided for any donations.

We are currently collecting water bottles for the homeless in our local bush area if any donations are to be made please place in the box provided. A big thank you for our last round of donations to Soul Soup Patrol they were very appreciative.

In conjunction with Armadale OSHC we are recycling our old cartridges. Please feel free to place any cartridges in the box provided and we will arrange for them to go to our Armadale OSHC to be donated, unfortunately only 1 box per company ☺.

If you have any suggestions on community involvement please see educators as we love to bring what we can to the community.
